#4a Whale Tour Instructions:

-You will have to pay the \$5 per person Whale Sanctuary Fee at Kim's office. -Bring plenty of sunscreen. -Cash for tipping and shopping are recommended. Some folks also bring some Dramamine for the boat ride just in case even though 99% of our past guests haven't gotten sea sick.

Please confirm your tour at least the day before by calling us (leaving a message if there is no answer) at 809-538-3179, which is a free call from the resort (don't dial 1 before), or by emailing us.

*You must cancel at least 48 hours in advance in order to get a refund.

Important Note Regarding Kim's Guarantee:

Kim offers a guarantee that you will see the whales. If you don't see them you are welcome to come back on a day when she has room for you. We are happy to work with you if you do not see whales but in order for us to do so we must be able to coordinate your make up trip to see the whales so that it falls on a day when we have other people, from the same area as you, already going on Kim's tour. Unfortunately, we cannot come to pick you up only. We are sorry about this policy but it's the best we can do. Kim makes many trips with empty seats available for you and we do the same with our open seats on transportation that we have already going for her tours.
